ORDER DISMISSING APPLICATIONS

The carriers listed above have applied for various forms of authority or relief under Title 49 of the United States Code in order to perform the air transportation activities described in the appendix

ACCORDINGLY, acting under authority assigned by the Department in its Regulations, 14 CFR § 385.13, we dismiss the applications described in the appendix to this order.

Persons entitled to petition for review of this order under the Department's Regulations, 14 CFR § 385.30, may file their petitions within ten days after the date of service of this order.

This order shall be effective and become the action of the Department of Transportation upon expiration of the above period unless within such period a petition for Department review is filed or the Department gives notice that it will review this order on its own motion.

The filing of a petition for review with respect to one of the dismissed items will not alter the effectiveness of this order with respect to the others.
