

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, DC

Issued by the Department of Transportation on January 20, 1999

NOTICE OF ACTION TAKEN -- DOCKET OST-98-4915

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of American Airlines, Inc. filed 12/15/98 for:

XX Exemption under 49 U.S.C. § 40109 for American to provide the following service:

Scheduled foreign air transportation of persons, property, and mail between Los Angeles, California, and Nadi, Fiji. American plans to use this authority to implement a code-share arrangement with Air Pacific Limited.¹

Applicant rep: Carl B. Nelson (202) 496-5647 DOT Analyst: Michael D. Bodman (202) 366-9667

DISPOSITION

XX Granted (see below).

The above action was effective when taken: January 19, 1999, through January 19, 2001.

**Action taken by: Paul L. Gretch, Director
Office of International Aviation**

XX **The authority granted is consistent with the aviation agreement between the United States and Fiji.**

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated:

XX **Holder's certificate of public convenience and necessity**

XX **Standard Exemption Conditions (attached)**

XX **Statement of Authorization for American and Air Pacific Limited code-share operations dated January 19, 1999, and conditions therein.**

Remarks: On the basis of data officially noticeable under Rule 24(n) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) immediate action was required and was consistent with Department policy; (2) grant of the exemption was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

¹ Concurrently with our action on this exemption application, we granted by separate action the application of Air Pacific Limited (undocketed) for a Statement of Authorization to conduct the proposed code-share service.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR § 385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
