DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, DC

Issued by the Department of Transportation on June 22, 1999

NOTICE OF ACTION TAKEN -- DOCKET OST-97-3073

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of American Airlines, Inc. filed 5/27/99 for:

XX Waiver from dormancy condition:

By Order 98-1-29 the Department granted American Airlines seven weekly combination frequencies to provide service in the New York-Cuzco market. The frequencies are subject to the condition that they will expire automatically and revert to the Department for reallocation if they are not used for a period of 90 days. American suspended its New York-Cuzco service on September 30, 1998. On December 17, 1998, the Department granted American a waiver from the dormancy condition. Under the terms of that waiver American's frequency allocation would automatically expire if American didn't resume service by June 27, 1999. American seeks a further waiver from the 90-day dormancy condition so that the 90-day dormancy period would not begin until September 25, 1999.

¹ American's waiver from the dormancy condition is effective until September 25, 1999, or until the date on which American resumes service with these frequencies, whichever occurs earlier. Once the waiver ceases to be effective, the 90-day dormancy condition applies from that point forward.
