**DISPOSITION**

Action: Approved

Action date: July 19, 1999

Effective dates of authority granted: July 19, 1999 - July 19, 2000

Basis for approval (bilateral agreement/reciprocity): U.S.-Venezuela Air Transport Agreement.

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations indicated:

Standard exemption conditions (attached)      Foreign air carrier permit conditions (Order - - )

Special conditions: (1) In the conduct of the services authorized, Aeropostal may use only aircraft wet leased from a duly authorized and properly supervised U.S. or foreign air carrier that receives requisite authority under the provisions of 14 CFR 207, 208 or 212 of the Department's regulations; and (2) Aeropostal shall not perform any Third or Fourth Freedom charters unless specific authority in the form of a statement of authorization for such charter(s) has been granted by the Department. Aeropostal shall file applications for such statements of authorization at least 30 days before the charters involved, pursuant to the procedures set forth in 14 CFR 212.9; *provided*, that applications involving all-cargo charters may be filed up to ten (10) calendar days before the flights.

**Action taken by: Paul L. Gretch, Director  
Office of International Aviation**

We found that the applicant, subject to the above conditions, was qualified to perform its proposed operations.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) immediate action was required and was consistent with Department policy; (2) grant of the exemption was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.

**CONDITIONS OF AUTHORITY**

In the conduct of the operations authorized, the holder shall:

- (1) Not conduct any operations unless it holds a currently effective authorization from its homeland for such operations, and it has filed a copy of such authorization with the Department;

- (3) Comply with the requirements for minimum insurance coverage contained in 14 CFR Part 205, and, prior to the commencement of any operations under this authority, file evidence of such coverage, in the form of a completed OST Form 6411, with the Federal Aviation Administration's Program Management Branch (AFS-260), Flight Standards Service (any changes to, or termination of, insurance also shall be filed with that office);

  - (a) based on its operations in international air transportation that, according to the contract of carriage, include a point in the United States as a point of origin, point of destination, or agreed stopping place, or for which the contract of carriage was purchased in the United States; or
  - (b) based on a claim under any international agreement or treaty cognizable in any court or other tribunal of the United States.

In this condition, the term "international air transportation" means "international transportation" as defined by the Warsaw Convention, except that all States shall be considered to be High Contracting Parties for the purpose of this definition;

- (8) Except as specifically authorized by the Department, originate or terminate all flights to/from the United States in its homeland;
- (9) Comply with the requirements of 14 CFR Part 217, concerning the reporting of scheduled, nonscheduled, and charter data;

- (11) Comply with such other reasonable terms, conditions, and limitations required by the public interest as may be prescribed by the Department, with all applicable orders or regulations of other U.S. agencies and courts, and with all applicable laws of the United States.
