

79542

Order 2000-5-11

Served: May 11, 2000

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation
on the 10th day of May, 2000

In the matter of the revocation of the interstate
scheduled certificate issued to

WRANGELL MOUNTAIN AIR, INC.

in accordance with section 204.7 of the
Department's Regulations

Docket OST-99-5010 - 4

ORDER REVOKING CERTIFICATE

Wrangell Mountain Air, Inc., based in Glennallen, Alaska, was found fit and received certificate authority under 49 U.S.C. 41102 to engage in interstate scheduled air transportation of persons, property, and mail on April 2, 1999.¹ The effectiveness of the authority granted by that certificate was conditioned on, among other things, Wrangell's providing the Department with a copy of its FAA Air Carrier Certificate and Operations Specifications and evidence of liability insurance coverage meeting the Department's requirements. Subsequent to the receipt of that authority, Wrangell advised us that it had not been able to obtain liability insurance.

By letter dated January 5, 2000, we reminded Wrangell of the provisions of section 204.7 of our rules (14 CFR 204.7); specifically, that it had one year from the date of its fitness determination (that is by April 5, 2000) to actually institute its scheduled operations or its certificate authority would be revoked for dormancy. Although that date has now passed, Wrangell has not filed any of the information required to make its authority effective nor has it requested a waiver of the revocation-for-dormancy provisions of section 204.7.

Therefore, we have decided to revoke, for reason of dormancy, the section 41102 certificate issued to Wrangell authorizing it to engage in interstate air transportation of persons, property, and mail. Our action is without prejudice to the company's applying for new certificate authority any time in the future.

¹ See Order 99-4-2.

ACCORDINGLY, Acting under authority assigned by Department in its regulations, 14 CFR 385.12:

1. We revoke the interstate section 41102 certificate issued to Wrangell Mountain Air, Inc., by Order 99-4-2 for reason of dormancy.
2. We will serve a copy of this order on the persons listed in Attachment A.

Persons entitled to petition the Department for review of this order under the Department's Regulations, 14 CFR 385.30, may file their petitions within 10 days of the service date of this order.

This order shall be effective and become the final action of the Department of Transportation upon expiration of the above period unless within such period a petition for review is filed or the Department gives notice that it will review this order on its own motion.
