Order 2000-7-6

Served: July 11, 2000

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation
on the 6th day of July, 2000

In the matter of the cancellation of the interstate
scheduled certificate issued to

SHUTTLE, INC.
d/b/a US AIRWAYS SHUTTLE

Docket 47999 - 133

ORDER CANCELLING CERTIFICATE

By Order 92-3-57, issued March 27, 1992, the Department approved the transfer of the interstate scheduled certificate held by Trump Shuttle, Inc., to a then-newly formed Delaware corporation, Shuttle, Inc. Shortly thereafter, Trump Shuttle was merged into Shuttle, Inc., and the certificate was reissued (see Order 92-5-19, issued May 11, 1992). Shuttle, Inc.'s operations were conducted under a management agreement with US Airways, Inc., using the trade name US Airways Shuttle. Pursuant to the terms of the management agreement, US Airways had the option to acquire Shuttle, Inc., within five years.

US Airways exercised that option and on December 30, 1997, Shuttle, Inc., became its wholly owned subsidiary, although it continued to be operated as a separate entity. By letter dated June 30, 2000, US Airways advised us that Shuttle, Inc.'s operations had been completely integrated into US Airways' operations as of that date, and that, as a result, Shuttle, Inc., no longer required a separate certificate and was surrendering it to the Department.¹

Under these circumstances, we have decided to cancel the section 41102 certificate issued to Shuttle, Inc., authorizing it to engage in interstate air transportation of persons, property, and mail.²

ACCORDINGLY, Acting under authority assigned by Department in its regulations, 14 CFR 385.12:

1. We cancel the interstate section 41102 certificate reissued to Shuttle, Inc. d/b/a US Airways Shuttle by Order 98-7-6.

¹ Shuttle, Inc., had previously surrendered its Air Carrier Certificate to the Federal Aviation Administration.

² Shuttle, Inc.'s certificate was reissued by Order 98-7-6, July 8, 1998, to reflect the current Department format for interstate certificates and to reflect changes in the statute with respect to operations to Dallas' Love Field.

2. We will serve a copy of this order on the persons listed in Attachment A.

Persons entitled to petition the Department for review of this order under the Department's Regulations, 14 CFR 385.30, may file their petitions within 10 days of the service date of this order.

This order shall be effective and become the final action of the Department of Transportation upon expiration of the above period unless within such period a petition for review is filed or the Department gives notice that it will review this order on its own motion.

By:

RANDALL D. BENNETT
Acting Director
Office of Aviation Analysis
