

**UNITED STATES OF AMERICA  
DEPARTMENT OF TRANSPORTATION  
OFFICE OF THE SECRETARY  
WASHINGTON, D.C.**

Issued by the Department of Transportation  
on the 28th day of July, 2000

90858

Complaint of

**NORTHWEST AIRLINES, INC.**

Against

**THE COUNCIL OF THE EUROPEAN  
UNION AND THE GOVERNMENTS OF  
THE 15 EU MEMBER STATES**

under 49 U.S.C. § 41310

**Served: August 1, 2000**

**Docket OST-99-5011 - 36**

**ORDER GRANTING WAIVER**

On January 15, 1999, Northwest Airlines, Inc. (Northwest) filed a complaint under 49 U.S.C. § 41310 against the Council of the European Union and the Governments of the 15 EU Member States (referred to as the EU and the Member States) regarding EU regulations that would restrict the use of hushkitted aircraft. Northwest states that the regulation would unreasonably restrict U.S. operators' access to Europe in contravention of U.S. rights under the Chicago Convention and bilateral air services agreements. Northwest urges the Department to take action to redress the economic harm caused by the EU regulation, which it argues constitutes an "unjustifiable or unreasonable...practice against an air carrier" and "imposes an unjustifiable or unreasonable restriction on access of an air carrier to a foreign market," warranting action under the statute.<sup>1</sup>

By Order 99-1-10, the Department invited all interested persons to answer Northwest's complaint in Docket OST-99-5011. British Airways PLC and Virgin Atlantic Airways Limited (filed jointly); Lufthansa German Airlines; the Cargo Airline Association; Societe Air France; Quiet Technology Venture, Ltd.; the National Air Carrier Association; Pratt & Whitney; the Air Transport Association of America; AvAcro; Federal Express Corporation; Fine Air Services, Inc.; Intrepid Aviation Partners, L.L.C.; United Air Lines, Inc.; Delta Air Lines, Inc.; Kitty Hawk Air cargo, Inc. and American International Airways, Inc. (filed jointly); the Nordam Group, Inc.;

<sup>1</sup> We summarized the complaint more fully in Order 99-1-10.

Burbank Aeronautical Corporation and ABS Partnership and Duganair Technologies, Inc. (filed jointly); ABX Air, Inc.; and the Association of European Airlines filed answers. Northwest filed a reply to the answers. The Cargo Airline Association filed an additional response.<sup>2</sup>

By a series of actions the Department has extended the deadline for action on Northwest's complaint in order to facilitate a negotiated resolution to the issues raised.<sup>3</sup> The latest extension runs through August 1, 2000.

On July 26, 2000, Northwest agreed to a further limited waiver of the statutory deadline in this proceeding through December 1, 2000.<sup>4</sup> Northwest states that subsequent to the filing of its complaint, the U.S. Government invoked the dispute resolution procedures provided for under Article 84 of the Chicago Convention and filed a complaint with the International Civil Aviation Organization (ICAO), with respect to the hushkit issue. Northwest states that a further limited waiver of the deadline through December 1, 2000, will permit the United States to concentrate on the proceedings before ICAO in this matter.<sup>5</sup>

After careful consideration of Northwest's submission and other relevant factors, we believe that the public interest is best served by granting Northwest's waiver and deferring the deadline for action on the complaint through December 1, 2000.<sup>6</sup>

#### **ACCORDINGLY,**

1. We grant the request of Northwest Airlines, Inc. for a waiver of the statutory deadline in order to defer through December 1, 2000, the period for taking action on its complaint in Docket OST-99-5011; and
2. We grant the motion of Northwest Airlines, Inc., for leave to file an otherwise unauthorized document in Docket OST-99-5011; and
3. We will serve this order on all parties to the complaint of Northwest Airlines, Inc., in Docket OST-99-5011; the Ambassadors of the Delegation of the Commission of the European Communities, the Federal Republic of Germany, France, and the United Kingdom in Washington

<sup>2</sup> The additional response was accompanied by a motion for leave to file an otherwise unauthorized document. We granted the motion by Order 99-5-7.

<sup>3</sup> See Order 2000-2-2 and Order 99-5-7 and orders cited therein at 2.

<sup>4</sup> On July 27, 2000, Northwest filed a motion for leave to file an otherwise unauthorized document in order to correct a page of its July 26, 2000 submission. We will grant the motion.

<sup>5</sup> Northwest states that it will continue to monitor the proceedings before ICAO and retains the option to withdraw its consent to further waiver of the statutory deadline.

<sup>6</sup> Under the Department's regulations, answers to Northwest's request would not be due until seven business days after its filing, i.e. August 4, 2000. As that would be after expiration of the current deadline, August 1, 2000, we have decided to act on Northwest's request without awaiting expiration of the period for answers. Should any answers be filed, we will address them in a subsequent order.

D.C.; the U.S. Department of State (Office of Aviation Negotiations); the Assistant U.S. Trade Representative (Office of the United States Trade Representative); and the U.S. Department of Commerce (Office of Service Industries).

By:

**A. BRADLEY MIMS**  
Acting Assistant Secretary for Aviation  
and International Affairs
