Order 2001-1-23

**UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.**

Served: February 9, 2001

Issued by the Department of Transportation
on the 30th day of January, 2001

Application of

HAINES AIRWAYS, INC.

for change of name

Docket OST-01-8727-3

**ORDER REISSUING CERTIFICATE
ERRATUM**

By Order 2001-1-23; served January 30, 2001, the Department acknowledged the change of name of "Haines Airways, Inc." to "Alaska Coastal Airlines, Inc." and reissued to the company its certificate of public convenience and necessity to reflect its new corporate name. The Terms, Conditions, and Limitations attached to the reissued certificate were inadvertently issued in the incorrect form. The Terms, Conditions and Limitations attached to this erratum are those that correctly apply to the certificate authority previously issued in the Haines Airways' name and now held in the name Alaska Coastal Airlines, Inc.

Terms, Conditions, and Limitations

ALASKA COASTAL AIRLINES, INC.

is authorized to engage in interstate air transportation of persons, property, and mail between any point in any State, territory, or possession of the United States or the District of Columbia, and any other point in any of those entities.

This authority is subject to the following provisions:

- (1) The holder shall at all times conduct its operations in accordance with the regulations prescribed by the Department of Transportation for the services authorized by this certificate, and with such other reasonable terms, conditions, and limitations as the Department of Transportation may prescribe in the public interest.*
- (2) The holder's authority to operate under this certificate is limited to operations with aircraft having no more than 30 passenger seats or a 7,500 pound payload capacity. The holder may not conduct any operations exceeding these limits until its fitness to conduct such operations has been established by the Department.*
- (3) The holder's authority to operate under this certificate is limited to operations conducted within the State of Alaska.*
- (4) The holder's authority is effective only to the extent that such operations are also authorized by the Federal Aviation Administration (FAA), and comply with all FAA requirements concerning security.*
- (5) The holder shall at all times remain a "Citizen of the United States" as required by 49 U.S.C. 40102(a)(15).*

**This certificate is being reissued to reflect a change in the carrier's corporate name from "Haines Airways, Inc." to "Alaska Coastal Airlines, Inc."*

(6) *The holder shall maintain in effect liability insurance coverage as required under 14 CFR Part 205. Failure to maintain such insurance coverage will render a certificate ineffective, and this or other failure to comply with the provisions of Subtitle VII of Title 49 of the United States Code or the Department's regulations shall be sufficient grounds to revoke this certificate.*

(7) *The holder may reduce or terminate service at any point or between any two points, subject to compliance with the provisions of 49 U.S.C. 41734 and all orders and regulations issued by the Department of Transportation under that section.*

(8) *The holder may not provide scheduled passenger air transportation to or from Dallas (Love Field), Texas, except within the limits set forth in section 29 of the International Air Transportation Competition Act of 1979, as amended by section 337 of the Department of Transportation and Related Agencies Appropriations Act, 1998.*

(9) *Should the holder propose any substantial changes in its ownership, management, or operations (as that term is defined in 14 CFR 204.2(l)), it must first comply with the requirements of 14 CFR 204.5.*

(10) *In the event that the holder ceases all operations for which it was found "fit, willing and able," its authority under this certificate shall be suspended under the terms of 14 CFR 204.7 and the holder may neither recommence nor advertise such operations unless its fitness to do so has been redetermined by the Department. Moreover, if the holder does not resume operations within one year of its cessation, its authority shall be revoked for dormancy.*
