UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, DC

Issued by the Department of Transportation on February 9, 2001

NOTICE OF ACTION TAKEN -- DOCKETS OST-2000-6937 - 4

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of DHL Airways, Inc. filed 1/4/2001 to:

XX Renew exemption for two years under 49 U.S.C. §40109 to provide the following service:

Scheduled foreign air transportation of property and mail between the United States and Kuwait. DHL Airways also requests renewal of authority to integrate its exemption here with its certificate authority for all-cargo service on Route 692.

DHL Airways intends to use this authority to operate service between New York and Kuwait via Brussels and Bahrain¹ under code-share arrangements with Gemini Air Cargo and DHL International E.C.

No answers to the application were filed.

Applicant rep: Karan K. Bhatia (202) 663-6000 DOT Analyst: Michael D. Bodman (202) 366-9667

DISPOSITION

XX Granted, subject to conditions (see below).²

The above action was effective when taken: February 9, 2001, through February 9, 2003, or until 90 days after final action by the Department on a corresponding certificate application, whichever occurs earlier.

**Action taken by: Paul L. Gretch, Director
Office of International Aviation**

XX The authority granted is consistent with the overall state of aviation relations between the United States and Kuwait.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated:

- XX Holder's certificates of public convenience and necessity
- XX Standard Exemption Conditions (attached)
- XX Statement of Authorization dated March 6, 2000, authorizing DHL/DHL International E.C. code-share operations, and conditions therein.

¹Route 692 authorizes DHL to operate all-cargo services between the United States and various foreign points, including Bahrain and Belgium.

²By separate notice in Docket OST-2000-5470 we granted the renewal application of DHL International for authority to conduct the services at issue here.

Conditions: The route integration authority granted is subject to the condition that such operations are consistent with the applicable bilateral aviation agreements. Furthermore, (a) nothing in the award of the route integration authority requested should be construed as conferring upon DHL Airways additional rights (including fifth-freedom intermediate and/or beyond rights) to serve markets where U.S. carrier entry is limited unless DHL Airways first notifies the Department of DHL Airways' intent to serve such a market and unless and until the Department has completed any necessary carrier selection procedures to determine which carrier(s) should be authorized to exercise such rights; and (b) should there be a request by any carrier to use the limited-entry route rights that are included in DHL Airways' authority by virtue of the route integration authority granted here, but not being used, the holding of such authority by route integration will not be considered as providing any preference for DHL Airways in a competitive carrier selection proceeding to determine which carrier(s) should be entitled to use the authority at issue.

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the exemption was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR § 385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
