UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation on February 15, 2002

NOTICE OF ACTION TAKEN -- DOCKET OST-2001-10929 - 3

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Applicant: **Dutch Caribbean Airline N.V.**

Date Filed: October 30, 2001

Relief requested: Exemption from 49 U.S.C. 41301 to conduct scheduled foreign air transportation of persons, property and mail from points behind the Netherlands Antilles, via the Netherlands Antilles and intermediate points, to points in the United States and beyond; and charters pursuant to 14 CFR 212 of the Department's regulations.

If renewal, date and citation of last action: New authority

Applicant representative: Bruce Rabinovitz 202-663-6960

Responsive pleadings: None

DISPOSITION

Action: Approved

Action date: February 15, 2002

Effective dates of authority granted: February 15, 2002 - February 15, 2004

Basis for approval: The authority is consistent with the provisions of the U.S.-Netherlands Antilles Air Transport Agreement. We found, based on the record,¹ that the carrier is wholly owned by the Government of Curaçao, one of the five islands that comprise the Netherlands Antilles; properly designated under the Agreement and licensed by its homeland; and financially and operationally qualified to conduct the proposed operations.² The FAA has advised us that it knows of no reason why the Department should act unfavorably on the carrier's application.

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations indicated:

Standard exemption conditions (attached) Foreign air carrier permit conditions (Order - -)

**Action taken by: Paul L. Gretch, Director
Office of International Aviation**

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted/deferred/dismissed, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.

¹ Dutch Caribbean incorporated by reference its contemporaneously filed application for a foreign air carrier permit in Docket OST-2001-10929.

² Our finding that Dutch Caribbean is financially qualified is based on our review of financial information covered by a Rule 12 motion (14 CFR 302.12) filed by the carrier in its related foreign air carrier permit application in Docket OST-2001-10929. We will rule on Dutch Caribbean's motion in that docket at a later date.

FOREIGN AIR CARRIER CONDITIONS OF AUTHORITY

In the conduct of the operations authorized, the holder shall:

- (1) Not conduct any operations unless it holds a currently effective authorization from its homeland for such operations, and it has filed a copy of such authorization with the Department;

- (3) Comply with the requirements for minimum insurance coverage contained in 14 CFR Part 205, and, prior to the commencement of any operations under this authority, file evidence of such coverage, in the form of a completed OST Form 6411, with the Federal Aviation Administration's Program Management Branch (AFS-260), Flight Standards Service (any changes to, or termination of, insurance also shall be filed with that office);

- (5) Conform to the airworthiness and airman competency requirements of its Government for international air services;
- (6) Except as specifically exempted or otherwise provided for in a Department Order, comply with the requirements of 14 CFR Part 203, concerning waiver of Warsaw Convention liability limits and defenses;
- (7) Agree that operations under this authority constitute a waiver of sovereign immunity, for the purposes of 28 U.S.C. 1605(a), but only with respect to those actions or proceedings instituted against it in any court or other tribunal in the United States that are:

(a) based on its operations in international air transportation that, according to the contract of carriage, include a point in the United States as a point of origin, point of destination, or agreed stopping place, or for which the contract of carriage was purchased in the United States; or

(b) based on a claim under any international agreement or treaty cognizable in any court or other tribunal of the United States.

In this condition, the term "international air transportation" means "international transportation" as defined by the Warsaw Convention, except that all States shall be considered to be High Contracting Parties for the purpose of this definition;

- (8) Except as specifically authorized by the Department, originate or terminate all flights to/from the United States in its homeland;
- (9) Comply with the requirements of 14 CFR Part 217, concerning the reporting of scheduled, nonscheduled, and charter data;

- (11) Comply with such other reasonable terms, conditions, and limitations required by the public interest as may be prescribed by the Department, with all applicable orders or regulations of other U.S. agencies and courts, and with all applicable laws of the United States.

This authority shall not be effective during any period when the holder is not in compliance with the conditions imposed above. Moreover, this authority cannot be sold or otherwise transferred without explicit Department approval under Title 49 of the U.S. Code (formerly the Federal Aviation Act of 1958, as amended).
