NOTICE OF REGISTRATION OF TRADE NAME

On February 15, 2002, Mesa Airlines, Inc., a certificated air carrier,¹ requested that the Department register the trade name "Frontier Jet Express" for use in certain of its air transportation operations.²

Part 215 of the Department's regulations provides that any carrier wishing to use an alternative trade name must first register that name with the Department. The rule further states that the Department may register such trade name after the carrier gives notification to similarly named carriers of the proposed use of the trade name. In support of its request to register the Frontier Jet Express trade name, Mesa noted that it intended to use this trade name in conjunction with its code-sharing relationship with Frontier Airlines, and that, other than Frontier Airlines, there were no similarly named carriers. Moreover, Mesa served a copy of its trade name application on Frontier Airlines. No other notification was required.

Under these circumstances, on February 15, 2002, we orally acknowledged the registration of the trade name "Frontier Jet Express" by Mesa for use in its operations. This notice serves as written confirmation of our action.

Dated at Washington, D.C., February 26, 2002.
