of Transportation

DEPARTMENT ACTION ON APPLICATION IN DOCKET OST 2000-7751-4
(Code share between United Air Lines, Inc., Lauda Air, and Tyrolean Airways)

Approved under assigned authority (14 CFR §385.13).

Date of Action: March 22, 2001

Director, Office of International Aviation

This action is subject to the conditions attached. Persons entitled to petition the Department for review of this action under the Department's regulations, 14 CFR §385.30, should file their petitions within ten days of the date of this action. This action is effective immediately, and the filing of a petition for review will not alter its effectiveness.

Joint Application of United Air Lines/Lauda Air/Tyrolean Airways for Statements of Authorization (Docket OST-2000-7751)

The code-share operations authorized here are subject to the following conditions:

- (a) The statement of authorization will remain in effect only as long as (i) United Air Lines, Lauda Air and Tyrolean Airways continue to hold the necessary underlying authority to operate the code-share services at issue, and (ii) the code-share alliance/agreement providing for the code-share operations remains in effect;
- (b) United Air Lines, Lauda Air and/or Tyrolean Airways must notify the Department no later than 30 days before they begin any new code-share service under the code-share services authorized here. Such notice shall identify the market(s) to be served, which carrier will be operating the aircraft in the code-share market added, and the date on which the service will begin. Such notices should be filed in Docket OST-2000-7751;
- (c) United Air Lines, Lauda Air and/or Tyrolean Airways must notify the Department immediately if the code-share alliance/agreement under which these code-share services are operated is no longer in effect or if the carriers decide to cease operating all or a portion of the code-share services under the agreement. We expect this notification to be received within 10 days of such non-effectiveness or of such decision. Such notices should be filed in Docket OST-2000-7751;
- (d) All operations conducted under this authorization must comply with the terms, conditions, and limitations of Order 2001-1-19 (United/Austrian/Lauda/Lufthansa/SAS antitrust immunity order) and any subsequent order(s) of the Department regarding the alliance;
- (e) The code-sharing operations conducted under this authority must comply with 14 CFR 257 and with any amendments to the Department's regulations concerning code-share arrangements that may be adopted. Notwithstanding any provisions in the contract between the carriers, our approval here is expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in computer reservation systems and elsewhere; that the carrier selling such transportation (*i.e.*, the carrier shown on the ticket) accept responsibility for the entirety of the code-share journey for all obligations established in its contract of carriage with the passenger; that the passenger liability of the operating carrier be unaffected; and that the operating carrier shall not permit the code of its U.S. code-sharing partner to be carried on any flight that enters, departs, or transits the airspace of any area for whose airspace the Federal Aviation Administration has issued a flight prohibition;
- (f) The authority to operate to third countries is subject to the condition that any service provided under the statements of authorization shall be consistent with all applicable agreements between the United States and the foreign countries involved. Furthermore, (i) nothing in the award of this blanket statement of authorization should be construed as conferring upon United Air Lines, rights (including code-share, fifth freedom intermediate and/or beyond rights) to serve markets where U.S. carrier rights are limited unless United notify us of their intent to serve such a market and unless and until the Department has completed any necessary carrier selection procedures to determine which carrier(s) should be authorized to exercise such rights;¹ and (ii) should there be a request by any carrier to use the limited-entry route rights that are included in United's authority by virtue of the blanket statements of authorization granted here, but that are not being used by United, the holding of such authority will not be considered as providing any preference for United in a competitive carrier selection proceeding to determine which carrier(s) should be entitled to use the authority at issue; and
- (g) The authority granted here is specifically conditioned so that neither United Air Lines, nor Lauda Air, nor Tyrolean Airways shall give any force or effect to any contractual provisions between themselves that are contrary to these conditions.

We may amend, modify, or revoke this authority at any time without hearing.

The filing of a petition for review shall not preclude the effectiveness of this action.

¹ The notice in paragraph (b) above can be used for this notification.
