UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation on March 4, 2002

NOTICE OF ACTION TAKEN -- DOCKET OST-2000-7153 - 4

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Applicant: **Cielos del Peru, S.A.**

Date Filed: March 28, 2000

Relief requested: Exemption from 49 U.S.C. 41301 to conduct scheduled and charter foreign air transportation of property and mail between the United States and any point or points, limited to wet-lease operations conducted by a duly authorized and properly supervised U.S. or foreign air carrier; and waiver from the provisions of 14 CFR 212 that would otherwise require the applicant to obtain prior approval of fifth freedom cargo charters.

In a supplemental pleading filed April 20, 2000, Cielos del Peru requested immediate action on its application to the extent necessary to permit it to implement Ecuador-U.S. service, and temporary deferral on the remainder of its application. We granted the carrier's request on April 25, 2000, effective through April 25, 2002 (*see* Notice of Action Taken dated April 25, 2000, in this docket). On February 15, 2002, the applicant orally requested that we act on the deferred portion of this application.

Applicant representative: William Evans 202-371-6030

Responsive pleadings: None

DISPOSITION

Action: Remainder of the March 28, 2000, application approved ¹

Action date: March 4, 2002

Effective dates of authority granted: March 4, 2002 - March 4, 2004

Remarks: We found that grant of the exemption authority is consistent with the terms of the U.S.-Peru Air Transport Agreement, ² and waiver from the provisions of 14 CFR 212 is in the public interest.

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations indicated:

Standard exemption conditions (attached) Special conditions: In the conduct of the services authorized, Cielos del Peru shall use only aircraft wet-leased from a duly authorized and properly supervised U.S. or foreign air carrier that receives requisite authority under the provisions of 14 CFR 212 of the Department's regulations.

**Action taken by: Paul L. Gretch, Director
Office of International Aviation**

We found that the applicant was qualified to perform its proposed operations, as conditioned.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted/deferred/dismissed, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.31, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.

¹ We note that on September 21, 2000, Cielos del Peru filed an additional application in this docket for amendment of its exemption authority to permit it to conduct U.S. operations using its own aircraft and crews. That application remains pending.

² Grant of this exemption authority encompasses the Ecuador-U.S. authority granted April 25, 2000, in this docket.
