OFFICE OF THE SECRETARY
WASHINGTON, DC

Issued by the Department of Transportation on March 7, 2002

NOTICE OF ACTION TAKEN -- DOCKET OST-2002-11620 - 2

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of American Airlines, Inc. filed 2/19/02 for:

XX Exemption from Order 2001-5-26; start-up date:

Under the terms of the 2000 aviation agreement between the U.S. and Colombia, U.S. carriers may provide services between any point or points in the United States and Barranquilla, Bogota, Cali, Cartagena and Medellin. The rights to provide air services to, from, and beyond Medellin are not effective until October 1, 2002. By Order 2001-5-26, the Department awarded American certificate authority and an allocation of seven weekly frequencies to operate services in the Miami-Medellin market beginning no earlier than October 1, 2002. Pursuant to a Diplomatic Note, the Government of Colombia has agreed to permit service to Medellin beginning June 1, 2002. American seeks relief from the condition in its certificate and frequency award so as to accelerate the start-up of its Miami-Medellin service to June 1, 2002.

Applicant rep: Carl B. Nelson, Jr., 202-496-5647 DOT analyst: Sylvia Moore, 202-366-6519
